This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Doubleday Books, United States, 2019. Hardback. Condition: New. Language: English. Brand new Book. "A gripping, sinister fable!"--MARGARET ATWOOD, via Twitter LONGLISTED FOR THE 2018 MAN BOOKER PRIZEA dystopic feminist revenge fantasy about three sisters on an isolated island, raised to fear men King has tenderly staked out a territory for his wife and three daughters, Grace, Lia, and Sky. He has lain the barbed wire; he has anchored the buoys in the water; he has marked out a clear message: Do not enter. Or viewed from another angle: Not safe to leave. Here women are protected from the chaos and violence of men on the mainland. The cult-like rituals and therapies they endure fortify them from the spreading toxicity of a degrading world. But when their father, the only man they've ever seen, disappears, they retreat further inward until the day two men and a boy wash ashore. Over the span of one blistering hot week, a psychological cat-and-mouse game plays out. Sexual tensions and sibling rivalries flare as the sisters confront the amorphous threat the strangers represent. Can they survive the men? A haunting, riveting debut about the capacity for violence and the potency of female desire, *The Water Cure* both devastates and astonishes as it reflects our own world back at us.
